NEW FOR 2018.... OPEN COUPLES SPOTLIGHT!

COUPLES SPOTLIGHT RULES SHALL BE THE SAME AS PROAM SPOTLIGHT! IT SHALL BE A SINGLE DIVISION ACCEPTING ALL ADULT AGES OF ONE MALE AND ONE FEMALE PARTNERSHIP.

WE WILL BE USING A CLOSED BRONZE DVIDA SYLLABUS FOR NEWCOMERS ONLY!!

NOVICE AND ABOVE IS OPEN TO CHOREO JUST LIKE ALL OTHER DANCES!!

BPM RANGE = 150 – 170 Optimum BPM: Newcomer/Novice = 152 Intermediate/Advanced = 162

To obtain videos of the allowable figures please see DanceVision at: <https://www.dancevision.com/>

You can arrange your choreography any way you wish but for Newcomers Only we will use the above closed syllabus as the allowable figures to aid in learning curve as we all adjust to this old dance that is new to us. We want everyone to have an opportunity to learn this dance from the ground up. The ACDA will review everything at the end of this year and will take everything into consideration for what the future fate of Viennese Waltz may be. However, for this year VW is an absolute equal to all the non-swing optional dances currently offered. If you are already dancing 8 dances, then you can just add VW for your 9th dance. Or it can equally be substituted for any of the following.... TR2, PLK, NC2, or CHA.

PLEASE NOTE: We have also added language to protect Newcomer Level 4 in Couples and ProAm from competitors entering those Divisions from other partner dance genres. We have also made it easier for ProAm students to partner into Couples Divisions by allowing them to go back one level. Since ProAm students would be giving up a professional partner in ProAm to dance in Couples we will allow two Novice Level 3 students to partner in Newcomer Level 4 Couples

SPECIAL DISPENSATION: Please note that all rules apply equally to everyone. However, in some situations where an event director or contest coordinator may not be able to satisfy some unforeseeable situation or condition that may escape the boundaries of these rules, the contestant may in writing contact the President of the ACDA for “Special Dispensation”. If needed, the council will consider some possible variance. Issues such as health or division eligibility or costuming variances for medical reasons are a few examples, and there could be many more. Items will be reviewed by the president and only brought forward to the council on a case by case basis. Decisions by the president and or council are final.

1.46 Spotlight music shall be 2½-4 min and shall have no BPM limitations. One non-country song may be integrated into the dance, but more than 50% of the music selected must be country music.

1.5 ProAm Scoring Format

1.51 ProAm levels and ProAm Spotlight, will use the judge's majority medal placement for the medal grade of the dance. Each judge will mark a ballot with a "medal" grade of ability for all contestants that danced. Judges, therefore, grade each contestant's relative ability against a standard for that titled level of competition. Each Judge shall mark on a ballot an assessed medal grade indicating a mark on his/her ballot a "prioritized" assignment to be attached to each contestant's "medals" score. Each "medals" score will also receive a "Numerical" score creating rankings for placement within each "medal".

1.52 Every contestant **SHALL BE RANKED** within **EACH MEDAL** so that the judges shall be responsible for the final placement of all contestants. For example, whereby all contestants ranked within the "silver medal" shall finish with a higher placement than all other ranked contestants in the "bronze medal". All "gold medal" rankings will finish higher than all "silver medal", etc.

1.53 Medal and Placement in the Dance:

1. The **Contestant's Medal** will be the majority of medals given by the Judging Panel for that dance; (3 out of 5 Judges are a majority.)
2. The Judge's medal for each contestant in the dance sets up the placement. Highest medal to lowest medal. Highest medal is ranked 1st, lowest medal is lowest ranking;
3. A Judge cannot tie contestants in the same Division and Level for that dance. If a Judge uses the same medal for contestants in the same Division and Level for that dance, they must be ranked within the like medal. In the group of the same medal, the best contestant is ranked 1st next best contestant is 2nd, etc.
4. This is to be used for all Judges on the dance panel.
5. Take placement of the Judges for each contestant and use relative placement to figure **Placement in the Dance**. Relative placement determined by most 1st, 1st & 2nd, 1st & 2nd & 3rd, 1st & 2nd & 3rd & 4th, and 1st & 2nd & 3rd & 4th & 5th, etc. A tie is a tie.

Overall Placement is determined by the Relative Placement in the 5 required dances. Two-Step, Waltz, their 2 highest Non-Swing, and their highest Swing

1. Relative placement most 1st, 1st & 2nd, 1st & 2nd & 3rd, 1st & 2nd & 3rd & 4th, and 1st & 2nd & 3rd & 4th & 5th, etc.
2. Ties shall be broken by:
 1. Using relative placement on the common dances of those tied.
 2. If a tie still exists, use Two Step and Waltz placements of those tied, best placement breaks tie.
 3. If a tie still exists, use best placement in the Two Step.
